

# Wilmington Oral Surgery

Scott A. Puckett, D.D.S.

Oral & Maxillofacial Surgery

## **Pre-operative Instructions:**

In order to prepare for your surgery and to ensure your safety, please follow these instructions:

1. Do not eat or drink anything for 6 hours before your surgery. For your safety, we need you to have an empty stomach.
2. **Do not use any Cannabis products for at least 72 hours (three days) prior to surgery.**
3. **Continue all medications prescribed by your physician. Do not stop any medication unless directed by your physician.**
4. **Escorts must stay during surgery** and to please have your adult escort take you directly home after the surgery.
5. Dress comfortably. Please wear shoes that tie or boots, no slip on shoes. Please wear a short-sleeved shirt. If cold, a sweatshirt is ok, but remember the short-sleeved shirt underneath.
6. Please do not wear necklaces, dangling earrings, or make-up on the day of surgery.
7. Please do not wear contact lenses, wear glasses on the day of surgery.
8. For moms of teenage boys – we do offer free haircuts – just let us know how short.

If other questions arise, please call our office (937-382-8020).
